

ASCE DIM Committee Meeting Minutes
Wednesday, March 19, 2003
1:30 PM – 4:00 PM in Molokai Room
Ilikai Waikiki Hotel
Honolulu, Hawaii
Minutes by Lucio Soibelman

Attendees:

Lucio Soibelman
Thomas Froese
Feniosky Peña-Mora
Sheryl Staub-French

Welcome to the Meeting

Soibelman welcomed meeting participants and explained that he would be acting as chair because Francois Grobler wasn't able to attend the meeting.

Election of new officers

New officers were elected as follow:
Lucio Soibelman – Chair
Sheryl Staub-French - Secretary

Approval of last Minutes

The Washington -DC meeting minutes were approved

Report on Existing Projects

Soibelman presented the status of committee ongoing projects.

- The first ongoing project reported by Soibelman was the committee contribution to the IAI/IFC/aecXML effort.
- The second ongoing project reported by Soibelman was the DIM committee contribution to ISO efforts.
- The third ongoing project presented by Soibelman was the Engineering enhancements of SQL/MM Sub-committee.
- The fourth ongoing project reported by Soibelman was the CSI OCCS/Omniclass Initiative.
- The fifth and final ongoing project that was presented by Soibelman was the work done to develop the Taxonomy of CIT.

Unfortunately there was not sufficient member participation at the meeting to allow the development of a plan of action regarding committee future deliverables and regarding the appointment of committee members to assume responsibility to ongoing projects and to new initiatives.

Next Meeting

It was decided that the new elected officers would meet during the fall semester to develop a new committee strategy with the goal of increasing member participation. The next meeting will be in conjunction with the ASCE National Convention in Nashville.

Meeting adjourned at approximately 3:00 pm
